THE LOCAL OPTION POLL INTERESTS YOU.

Strike out the last two lines. Are Nursing Mothers to be deprived of Stout? Dr. Bakewell urges the necessity of nursing mothers taking three half-pints of stout daily,—Vide "Auckland Star."

UNDER NO-LICENSE IN INVERCARGILL, CRIME HAS INCREASED 13 PER CENT. See Official Records.

Records of Crime in Ashburton under No-License Confirm Invercargill's Experience of Increase.

I Vote that the Number of Licenses Continue. Wate that Licenses be Reduced

> STRIKE OUT THE LAST TWO LINES THUS:

ENERAL BOOTH says:—"It is no use attempting prohibition when the majority wish to drink." General Booth believes in moral snasion. Is it no better that a man should openly enter a clean, well-regulated hotel (which is always under police supervision) where he can get a glass of good wholes one lever, than that he should steal round the corner into a sly grog den where he probably obtains only raw spirits of a most harmful character, and where the surroundings are immoral and degrading? No intelligent man or woman who has the moral and financial welfare of Auckland at heart can vote for No-License.

NO-LICENSE A FAILURE.

MR. GEO. HARNETT, Manager of the British rootball Team, said (vide "Auckland Star," 25th July, 1908): "I saw drunken men in Invercargill (No-License) at 9 in the morning, and later in the evening I saw more drunken men in Invercargill than I have seen in any other city of the Dominion. This seems to show that where there is No-License liquor can be obtained, and as it has to be obtained on the sly, it is doubtless of the worst description. From undoubted sources I learnt that drinking in private houses down there was daily on the increase. This leads to the same evil as the greens' licenses do in England. Personally, I may say that I have always taken a glass of beer, but in strict moderation. The locker system for controlling liquor seems to me to be another very undesirable method of dealing with alcoholic refreshment. In fact, the whole thing seems to be too full of deceit and fraud to appeal to those who desire to see a nation built up of strong, clean characters."
