**"THAT DULL, HEAVY,  
DEPRESSED FEELING."**

A MODERN SCIENTIFIC  
REMEDY.

Here Mr. Joseph Burns, of 29 Market St., Sydney, illustrates the advantage of a Laxo-Tonic Pill treatment over less up-to-date remedies.

"I am a shoemaker by trade, and the continual confinement of the workshop and the never-ending sitting down in a cramped position brought on a settled constipation. When these fits of constipation were prolonged I suffered from headaches and a dull, heavy, depressed feeling. I found it necessary to take salts every day, and gradually to increase the dose. The effect of this continual dosing with salts was to make me feel weak and tired. I often tried other laxative medicines which I saw advertised as a sure cure for constipation, but they were worse than the salts, for they weakened me just as much and often gripped me as well, and I often felt quite exhausted after using them. In Laxo-Tonic Pills I have found the medicine which just suits me. In fact, Laxo-Tonic Pills suited me so well that I am practically cured of my long-standing constipation, and only have to take one of these pills occasionally, say once a fortnight, whereas once it was necessary, as I have before said, to take medicine daily. I find Laxo-Tonic Pills do not gripe me at all and they effect their purpose thoroughly without leaving behind any feeling of weakness, weariness, or relaxation. They acted with me as a strong tonic, removed all trace of headaches, and made me feel better altogether, and brighter and more cheerful and able to do my work with pleasure instead of with a feeling of weariness. One of my children, a girl aged twelve, was suffering from disordered blood, and the Laxo-Tonic Pills acted wonderfully well in her case."

Laxo-Tonic Pills are sold by all chemists and stores at 10½d for the Regular Size, or 1/6 for the Double Size, or post free upon receipt of the price in stamps from the Laxo-Tonic Pill Company, 15 O'Connell street, Sydney, N.S.W.
