New Zealand

is admittedly the *Greatest Sanatorium under the Sun* for the relief of the afflicted and suffering. The Curative qualities of the Hot Mineral

Waters at Te Aroha, Rotorua, Whakarewarewa, Rotomahana, Waiotapu, Wairakei, Taupo and other Thermal Districts in the North Island have a World-wide Fame.

ROTORUA, THE SANATORIUM OF THE WORLD

(*vide London "Morning Post"*). Unlimited supplies of Hot Sulphur, Acid and Alkaline. Bathing. Sufferers from Rheumatism, Sciatica, Gout, Eczema, Acne, Psoriasis, Obesity, Liver Troubles, Internal Complaints, Nervous Disorders, General Debility and many other forms of disease. Absolutely Cured. Thousands of persons have blessed the day they visited New Zealand and were made whole and perfect once more. Rotorua is a thousand feet above sea level. It has a splendid climate, fine drainage, a pure water supply, electric light, excellent hotel and boarding-house accommodation, steamers on lakes, coaches everywhere, lovely pleasure grounds, with bowling green, tennis court and croquet laws open to all.

TE AROHA possesses valuable hot alkaline waters for bathing and drinking purposes, excellent baths, picturesque pleasure grounds, comfortable hotels.

TE WAIMUNGU, the *Greatest Geyser on Earth*, is seventeen miles from Rotorua by a good coach road. It presents a great and marvellous spectacle, its steam rising to a height of 5,000 feet.

The variety and beauty of the **COACHING JOURNEYS** in New Zealand have possibly no equal elsewhere. The great Coach Route from Rotorua to Wanganui takes the tourist past Boiling Lakes and Streams, Mud Volcanoes and Great Geysers, Sulphur and Oil Pools—Lakelets of Brilliant Hues, Maungakakaramea (the Iridescent Mountain), the Famous Arateatea Rapids and the Huka Falls, Snow-clad Ruapehu with its Boiling Cauldron (9,000 feet high), Volcanic Ngauruhoe with its Eternal Steam. The traveller is led over forest-clad mountains to Pipiriki, thence for 38 miles down the Wanganui River, justly famous for its Wealth of Verdure, its Transcendental Loveliness—Unsurpassable! Indescribable!! Unforgettable!!! The cone-shaped Mount Egmont, with its hoary head, is seen standing solitary on the fertile lands of Taranaki. The journey from Nelson through the **Buller Gorge** to Westport and thence to Christchurch through the **Otira Gorge** opens out all that is Grand and Spectacular in Nature. The first portion introduces the visitor to the charm of the New Zealand forest, carpeted with hundreds of varieties of lovely ferns; then, emerging from that, he comes to the narrow rock road, hewn out of the solid mountain, with the roaring Buller alongside, rolling its

mountain waters down to the great Pacific Ocean. From there to the Otira Gorge is spread before him a wealth of Alpine Scenery—snow and ice everywhere, peak upon peak, glacier upon glacier, roaring torrents hundreds of feet below, avalanche and waterfall and precipices upon every hand. The Hot Mineral Springs of Hanmer are within a day's journey of Christchurch. Here are good baths and excellent accommodation.

Amid the **Vast Southern Alps** rises **Mount Cook**, the Cloud-piercer, 12,349 feet in height. Here are majestic glaciers, running down to within 2,000 feet above the level of the sea, and great avalanches thundering down night and day. The marvellous colouring, with its ever-varying gradations over those mighty snow-clad peaks and slopes, presents scene after scene of marvellous beauty. The "Hermitage," a hotel of 30 rooms, is built in a green vale within a few minutes' walk of the great **Tasman Glacier** at the base of Mount Cook. The great Tasman Glacier is the largest outside of the Polar regions.

The **Great Southern Lakes**, including Wakatipu, Te Anau, Manapouri, Hawea, Wanaka and others, are surrounded by snow-covered mountains, and present a series of pictures unsurpassed for Beauty, Grandeur and Magnificence. They are easy of access, and can be thoroughly inspected by means of the steamers and steam launches.

The **Gigantic Fiords and Sounds** of New Zealand have a world-wide reputation. Larger, more magnificent and wonderful than those of Northern Europe, they alone warrant a visit to "this LAND of LOVELINESS." The **Sutherland Falls**, 1,904 feet in height, the highest in the world, are situated at the head of Milford Sound, and the route to them passes through a long stretch of scenery of the most remarkable and entrancing character.

The extreme Southern point of New Zealand, **Stewart's Island**, is a scenic spot of many attractions. Indented with lovely coves and bays, covered with a wealth and beauty of vegetation, it has many claims on the artist, while its sea fishing and health-giving shores make it an ideal visiting place alike for the fishing enthusiast and the invalid.

VISIT NEW ZEALAND! You will find there **Sport for the Rifle! Sport for the Gun! Sport for the Rod!** Wild Red Deer, Fallow Deer; Feathered Game; Rainbow, Loch Leven and Brown Trout of great size and weight. Indeed, the Colony is the **Angler's Paradise!**
