

Hearne's Bronchitis Cure.

THE FAMOUS REMEDY FOR

COUGHS, BRONCHITIS, ASTHMA and CONSUMPTION,

HAS THE LARGEST SALE OF ANY CHEST MEDICINE IN AUSTRALIA.

Those who have taken this medicine are amazed at its wonderful influence. Sufferers from any form of Bronchitis, Cough, Difficulty of Breathing, Hoarseness, Pain or Soreness in the Chest, experience delightful and immediate relief; and to those who are subject to Colds on the Chest it is invaluable, as it effects a Complete Cure. It is most comforting in allaying irritation in the throat and giving strength to the voice, and it neither allows a Cough or Asthma to become chronic, nor Consumption to develop. Consumption has never been known to exist where "Coughs" have been properly treated with this medicine. No house should be without it, as, taken at the beginning, a dose is generally sufficient, and a Complete Cure is certain.

A Lady in London.

MARTIN TO COLDS AND BRONCHIAL ASTHMA.
CURED BY ONE BOTTLE OF HEARNE'S
BRONCHITIS CURE.
THE DOCTOR SO INTERESTED THAT HE
CARRIED OFF THE EMPTY BOTTLE.

"Orange, N.E.W."
"Dear Sir, I enclose for your own private personal perusal of a letter received from my mother, Mrs. of London, England, from which you will learn that your medicine has been a perfect Godsend to a mother to suffer from bronchial asthma. I do not wish any name to be mentioned, but you are at liberty to make use of any portion of this letter you choose, and you can confidently refer anybody to me."
"I feel of your own words, and sent it to England. You can see for yourself what an immense case it was. Yours faithfully,"
"Extract from letter alluded to above—
You will be interested in hearing that I think the Bronchitis Cure really excellent. I was very bad when it arrived, and I immediately began to use it. It was just Friday, and it has quite cured me. Dr. is very much interested in it. He came yesterday, and carried off the empty bottle to find out if he could get a full one from a doctor who is in a large way here."
"The name is withheld from publication, but will be supplied privately when desired."

AGONISING COUGH.

NINE MONTHS TORTURE.
RELIEVED BY ONE DOSE OF HEARNE'S BRONCHITIS CURE, AND CURED BY TWO BOTTLES.

"Dergholm, Victoria."
"Dear Sir, I wish to add my testimony to the wonderful effect of your Bronchitis Cure. I suffered for nine months, and the cough was so distressing that I was obliged to get up at night by a fire. I had medical advice, and tried other remedies, without avail. I tried yours, and never had a fit of coughing after taking the first dose, and though I have had but two bottles I feel I am a different man, and the cough has vanished. You may depend upon my testifying to the efficacy of your wonderful remedy to anyone I am asked."

"Yours faithfully,
JAMES ASTBURY."

"We, the undersigned, have had occasion to obtain Hearne's Bronchitis Cure, and we certify that it was perfectly and rapidly successful under circumstances which abundantly prove its efficacy, healing power, and its safety. Signed by the Rev. JOHN SINGHAR, Myers Street, Geelong, and thirty other leading residents."

Consumption.

TOO ILL TO LEAVE HIS BED.
A COMPLETE CURE.

"Mr. W. G. Hearne, Dear Sir, I am writing to tell you about the wonderful cure your medicine has effected in my case. About three years ago I began to cough, and the cough was so distressing that I was obliged to leave my bed, and I became very weak and troubled with night sweats, pain in my chest, and great quantities of phlegm. I tried many remedies, but without benefit. It was at this stage that I heard of your Bronchitis Cure, and sent to you for a course of the medicine. When it arrived, I was too ill to leave my bed, but I commenced taking it at once, and gradually improved. I am glad to say that the two bottles of medicine you sent have effected a complete cure, for which I am very much indebted to you. Yours faithfully,"

"J. BLAIR.
Westminster Bridge Road, E.C. London."

I am delighted to say it is really a wonderful medicine; does good at once, and can't be licked."
"Yours sincerely,

Extract from a letter since written by the same lady to her son, Mr. John S. Mortimer, Llewellyn, Kelang, Victoria.

HER DAUGHTER HAD BEEN VERY ILL.
SUFFERING UNDER BLOOD.
THE DOCTOR SAID NOTHING MORE COULD BE DONE.
CURED BY HEARNE'S BRONCHITIS CURE.

The extract runs as follows: "As for myself, thank the Lord, I am feeling stronger than I have for years. I had an attack of bronchitis in November, but Hearne's Bronchitis Cure was again successful. I feel quite well, and walk into town, feeling quite strong."
"I must ask you to send me six bottles more of the medicine, as I wish to have a supply in the house. I have tried to get it made up for me, but my usual health has been so bad that I have not been able to do so. He tells me this will be the best thing for me to do, he never saw anything like it before, so there is only one thing for me to do, and for more. I have never kept in bed one day since I commenced to take it. I used to be in bed for fortnight at a time, and after that for months I was as weak as I could possibly be, and was always taking liver oil, so you will see it is quite worth while sending for it such a long distance."
"Something more I must tell you. Charlotte has been very ill since I wrote you. Her cough was so bad she never had a night's rest, and was spitting up blood very much. The doctor told her husband that there was nothing more he could do for her. So on the Monday I sent her half a bottle of the Bronchitis Cure, and told her to try it, and she did not use it, but to waste it, but sent it back again. She had such confidence in her doctor that I thought she would not try it. On the Wednesday I sent her another half bottle, and she was much better, the night's rest was very good, and cough and bleeding from the lungs ceased. She sent for another half bottle, and on the following Sunday sent over to say that she was quite cured and did not require any more medicine. No one was what great good it has done, and she wishes to have some of my next supply."

12 Years' Agony.
DISTRESSING, SUFFOCATING, DRY COUGH
ENTIRELY REMOVED BY FIVE DOSES.
NO OTHER TREATMENT COULD EVEN KASE IT.

"Sir, My wife was for twelve years a sufferer from a most distressing, suffocating, dry cough that could not be removed or even eased by any remedy, doctors' prescriptions and patent medicines having been tried, but I am happy to say that the cough, pain in the chest, and difficulty of breathing, etc., were entirely removed by the fifth dose of your Bronchitis Cure.—I remain, Sir, yours most respectfully,
"WILLIAM CROCKETT,
"Baker's Swamp P.O., via Dripstone, N.S. Wales."

A Seven Years' Case.

EXPECTORATING BLOOD AND MATTER.
COMPLETELY CURED.
"Mr. W. G. Hearne, Dear Sir, Your medicine has cured me of bronchitis and asthma, from which I suffered for upwards of seven years. I was suffering with it so much worse, and at the time I obtained your medicine I was confined to bed suffering from a most violent cough, expectorating blood and matter, and apparently having hope of recovery. The first dose of the medicine gave me welcome relief, and I steadily improved as I continued the treatment until I became, as I am now, quite well."
"Yours sincerely,
"M. WALKER.
"Balmuir, Sydney."

Asthma.

PREVIOUS TREATMENT FAILED.
A SEVENTEEN YEARS' CASE.
CURED BY THREE BOTTLES.

Mr. Alex. J. Anderson, of Oak Park, Charlesville, Queensland, writes: "After suffering from Asthma for 17 years, and having been under a great many different treatments without benefit, I was induced to try Hearne's medicine for asthma. After taking three bottles of this medicine I am now free from the disease, and since then, which was in the beginning of 1885 (16 years ago), I have not had the slightest return of it. The medicine quite cured me, and I have since been in good health."
"Writing again on the 14th April, 1890, he states: 'I am enjoying myself well now. Never have the slightest return of the Asthma.'"
