

Hearne's Bronchitis Cure.

THE FAMOUS REMEDY FOR

COUGHS, BRONCHITIS, ASTHMA and CONSUMPTION,

HAS THE LARGEST SALE OF ANY CHEST MEDICINE IN AUSTRALIA.

Those who have taken this medicine are amazed at its wonderful influence. Sufferers from any form of Bronchitis, Cough, Difficulty of Breathing, Hoarseness, Pain or Soreness in the Chest, experience delightful and immediate relief; and to those who are subject to Colds on the Chest it is invaluable, as it effects a Complete Cure. It is most comforting in allaying irritation in the throat and giving strength to the voice, and it neither allows a Cough or Asthma to become chronic, nor Consumption to develop. Consumption has never been known to exist where "Coughs" have been properly treated with this medicine. No house should be without it, as, taken at the beginning, a dose is generally sufficient, and a Complete Cure is certain.

A Lady in London.

MARTIN TO COLDS AND BRONCHIAL ASTHMA CURED BY ONE BOTTLE OF HEARNE'S BRONCHITIS CURE.
THE DOCTOR SO INTERESTED THAT HE CARRIED OFF THE EMPTY BOTTLE.

"Mr. Hearne,—I enclose for your private personal possession a letter received from my mother, Mrs. J. of London, England, from which you will glean that your medicine has been a perfect God-send to her in her struggle with colds and bronchial asthma. I do not wish my name to be mentioned, but you are free to use any portion of this letter for your needs, and you can certainly rely on my testimony to the truth of it. I was of your age when I was first attacked, and I was very much distressed. I had been told that I was in a large way lame. The names are withheld from publication, but will be supplied privately when desired."

A Seven Years' Case.

EXPORTING BLOOD AND MATTER COMPLETELY CURED.
"Mr. W. G. Hearne,—Dear Sir,—Your medicine has cured me of bronchitis, and has done which I had been suffering for seven years, during which period I was scarcely ever free from cough, and frequently the difficulty of breathing was so distressing that I could not get to bed at all. I write you this acknowledgment from a sense of duty, as in my case every other treatment had failed. For a year and a half I had been suffering very much worse, and at the time I obtained your medicine I was confined to bed for some time, and was in a most violent cough, expectorating blood and matter, and apparently beyond hope of recovery. The first dose of the medicine gave me welcome relief, and I steadily improved as I continued the treatment until I became, as I am now, quite well."
"Yours sincerely,
"H. WALKER, Ballmain, Sydney."

Asthma.

PREVIOUS TREATMENT FAILED. A SEVENTEEN YEAR CASE. CURED BY THREE BOTTLES.
"Mr. Alex. J. Anderson, of Oak Park, Charleville, Queensland, writes:—After suffering from Asthma for 17 years, and having been under a great many different treatments without benefit, I was induced to try Hearne's medicine for asthma. After taking three bottles of this medicine I was relieved of the asthma, and since then, which was in the beginning of 1889 (16 years ago), I have not had the slightest return of the asthma, and I am very glad and I have much pleasure in recommending it."
"Writing again on the 4th April, 1890, he states:—I am keeping very well now. Never have the slightest return of the Asthma."

SEVERE COLD, WITH LOSS OF VOICE, CURED BY HALF A BOTTLE. A SUPPLY SENT TO A RELATIVE IN ENGLAND.

"Mr. Hearne,—I am very much pleased with the effects of your Bronchitis Cure. I had written three of my children had very bad coughs, and one bottle cured the three of them. The husband I also had such a severe cold that she entirely lost her voice, but half a bottle cured her. I always keep a bottle in my house, and recommend it to any one requiring a medicine of that kind."
"I have sent you for only one bottle of your medicine for a week to my mother, who is suffering greatly from bronchitis. The address is enclosed."
"Yours faithfully,
"JOHN S. MORTIMER."

WAS A GREAT SUFFERER. HAD NOT WALKED FOR TWELVE MONTHS. ALWAYS WALKS NOW, AND IS QUITE WELL. FEELS STRONGER THAN SHE HAS DONE FOR YEARS.

"W. Watson Street, Parkington Trent, Victoria, Australia."
"Mr. W. G. Hearne, Geelong."
"Dear Sir,—Your letter and Bronchitis Cure to hand quite safe. I am sure you will be glad to know that your Bronchitis Cure has just cured me. I was very glad when it came, as I was suffering from a severe attack of Bronchitis at the time it arrived. I had sent for my own doctor, but had not had any relief for a week. I started taking the Bronchitis Cure three times a day as directed, and was very much eased at once. At the end of a week I only took it twice a day, and then only every night for a week, as I felt very much better, when, thanks to the Lord for sending His blessing, was quite well, and walked into town and back without feeling any fatigue. I had not done that previously for twelve months (always went to the omnibus) as walking caused me such pain and distress in the chest. I always walk now and never feel it, and I am stronger than I have been for years. I thank my son for his great kindness in sending the medicine, and am, dear Sir,
"Yours very truly,
"M. MORTIMER."
