

Hearne's Bronchitis Cure

THE FAMOUS REMEDY FOR

COUGHS, BRONCHITIS, ASTHMA and CONSUMPTION.

HAS THE LARGEST SALE OF ANY CHEST MEDICINE IN AUSTRALIA.

Those who have taken this medicine are amazed at its wonderful influence. Sufferers from any form of Bronchitis, Cough, Difficulty of Breathing, Hoarseness, Pain or Soreness in the Chest, experience delightful and immediate relief; and to those who are subject to Colds on the Chest it is invaluable, as it effects a Complete Cure. It is most comforting in allaying irritation in the throat and giving strength to the voice, and it neither allows a Cough or Asthma to become chronic, nor Consumption to develop. Consumption has never been known to exist where "Coughs" have been properly treated with this medicine. No house should be without it, as, taken at the beginning, a dose is generally sufficient, and a Complete Cure is certain.

A Lady in London.

MARTYR TO COLDS AND BRONCHIAL ASTHMA. CURED BY ONE BOTTLE OF HEARNE'S BRONCHITIS CURE.

THE DOCTOR SO INTERESTED THAT HE CARRIED OFF THE EMPTY BOTTLE.

"Mr. Hearne,—I enclose for your own private personal portion of a letter received from my mother, Mrs. ——— of London, England, from which you will glean that your medicine has been a perfect God-send to a martyr to colds and bronchial asthma. I do not wish any name to be mentioned, but you are at liberty to make use of any portion of my story as you choose, and you can confidently refer anybody to me. I heard of your excellent remedy, and sent it to England. You can see that I never had a fit of coughing since I used it.—Yours faithfully, ———"
Extract from letter alluded to above:—
"You will be interested to know that I think the Bronchitis Cure really excellent. I was very bad when it arrived, and it immediately flew to it. That was last Friday, and it has quite cured me. It is very much interested in it. He came yesterday, and carried off the empty bottle, but he said he would get a full one from a chemist who is in a large way here. The name is withheld from publication, but will be supplied privately when asked."

AGONISING COUGH.

NINE MONTHS' TORTURE.

RELIEVED BY ONE DOSE OF HEARNE'S BRONCHITIS CURE, AND CURED BY TWO BOTTLES.

"Dear Sir,—I wish to add my testimony to the wonderful effect of your Bronchitis Cure. I suffered for nine months, and the cough was so distressing that at night I was obliged to cry out at the top of my voice. I had medical advice, and tried other "remedies" without result. I tried your cure, and had a fit of coughing after taking the first dose, and though I have had but two bottles I feel I am a different man, and the cough has vanished. You may depend upon my making known the efficacy of your wonderful remedy to anyone I see afflicted. Yours faithfully, ———"
"We, the undersigned, have had occasion to obtain Hearne's Bronchitis Cure, and we certify that it was perfectly and rapidly successful in removing the symptoms which undoubtedly prove the distinct healing power. Signed by the Rev. JOHN SIMON, Myrae Street, Geelong, and fifty other leading residents."

Consumption.

TOO ILL TO LEAVE HIS BED.

A COMPLETE CURE.

"Mr. W. G. Hearne, Dear Sir,—I am writing to tell you about the cure your medicine has effected in my case. About three weeks ago I began to cough. At first the cough was not severe, but it gradually got worse, and I became very ill. I had a great deal of mucus in my chest, and great quantities of phlegm. On several occasions there was blood in the expectorated matter. I had been treated by a doctor, who pronounced my case to be Consumption, and various other treatments had been tried, but without benefit. It was at this stage that I heard of your Bronchitis Cure, and sent to you for a course of the medicine. When it arrived I was too ill to leave my bed, but I commenced taking it at once, and gradually improved. I am glad to say that two bottles of medicine you sent have effected a complete cure, for which accept my best thanks. Yours gratefully, ———"

A Seven Years' Case.

EXPECTORATING BLOOD AND MATTER.

COMPLETELY CURED.

"Mr. W. G. Hearne,—Dear Sir,—Your medicine has cured me of bronchitis and asthma, from which I suffered for upwards of seven years, during which period I was scarcely ever free from mucus, and frequently the difficulty of breathing was so distressing that for months I was unable to sit up. I write you this acknowledgment from a state of health, in which I am now, and which I had feared. For a year previous I had been getting very much worse, and at the time I obtained your medicine was confined to bed and unable to get out of bed, coughing, expectorating blood and matter, and apparently beyond hope of recovery. The first dose of the medicine gave me welcome relief, and I steadily improved as I continued the treatment until I became, as I am now, quite well. Yours sincerely, ———"

The medicine quite cured me and I have much pleasure in recommending it.'"

Three Cases Completely Cured by One Bottle of Hearne's Bronchitis Cure.

SEVERE COLD, WITH LOSS OF VOICE, CURED BY HALF A BOTTLE.

A SUPPLY SENT TO A RELATIVE IN ENGLAND

"Llewellyn, Katoomba, Vic."
"Dear Sir,—I am very much pleased with the effect of your Bronchitis Cure. Last winter three of my children had very bad coughs, and one bottle cured the three of them. The household also had such a severe cold that she entirely lost her voice, but half a bottle cured her. I always keep it in the house now, and recommend it to anyone requiring a medicine of this kind."
"I now want you to send at once four bottles to England to my mother, who is suffering greatly from bronchitis. The address is enclosed."
"Yours gratefully, ———"
"JOHN S. MORTIMER."
The relative in England, who is 80 years old, also cured by Hearne's Bronchitis Cure.

HEAD NOT WALKED FOR TWELVE MONTHS.

ALWAYS WALKS NOW, AND IS QUITE WELL.

FEELS STRONGER THAN SHE HAS DONE FOR YEARS.

"A Walsley Street, Burton-on-Trent, Staffordshire, England."
"Mr. W. G. Hearne, Geelong,—
"Dear Sir,—Your letter and Bronchitis Cure to hand quite new. I am sure you will be glad to know that your Bronchitis Cure has quite cured me. I was very glad when you wrote, as I was suffering from a severe attack of bronchitis at the time it arrived. I had sent for my own doctor, but had not had one night's rest for a week. I started taking the Bronchitis Cure three times a day as directed, and was very much eased at once. At the end of a week I only took it twice a day, and then only every night for a week, as I felt very much better, when, thanks to the Lord for adding His blessing, I was quite well, and walked into town and back without feeling any fatigue. I had not done that previously for twelve months (always went in the omnibus) as walking caused me such pain and distress in the chest. I always walk now and never feel it, and I am stronger than I have been for years. I thank my son for his great kindness in sending the medicine, and am, dear Sir, ———"
"Yours very truly, ———"
"M. MORTIMER."

HER DAUGHTER HAD BEEN VERY ILL.

SPITTING UP BLOOD.

THE DOCTOR SAID NOTHING MORE COULD BE DONE.

CURED BY HEARNE'S BRONCHITIS CURE.

The extract runs as follows: "As for myself, thank the Lord, I am feeling stronger than I have for years. I had an attack of bronchitis in November, but Hearne's Bronchitis Cure was again successful. I feel quite well, and walk into town, feeling quite strong."
"I must ask you to send me six bottles more of the medicine, as I wish to have a supply in the house. I have a bottle to see what he could do. He tells me this week he can make nothing out of it; he never saw anything like it before, so there is only one thing for me to do, send for more. I have never kept in bed one day since I commenced to take it. I need to be in bed a fortnight a time always, and after that for months I was as weak as I could possibly be, and was always taking and liver oil, as you will see all this is quite worth while sending for such a long distance."
"Something more I must tell you. Charlotte has been very ill since I wrote you. Her cough was so bad she never had a night's rest, and was spitting up blood very much. The doctor told her husband that there was nothing more he could do for her. So on the Sunday I sent her half a bottle of the Bronchitis Cure, and told her to try it, and it did indeed make her not to waste it, but send it back again. She had such confidence in her doctor that I thought she would not try it. On the Wednesday I sent over again and she was much better, the night's rest was very good, and cough and bleeding from the lungs better. She sent for another half bottle, and on the following Sunday sent over to say that she was quite cured and did not require any more medicine. So you see what great good it has done, and she wishes to say some of my next supply."

12 Years' Agony.

DISTRESSING, SUFFOCATING, DRY COUGH

ENTIRELY REMOVED BY FIVE DOSES.

NO OTHER TREATMENT COULD EVEN EASE IT.

"Sir,—My wife was for twelve years a sufferer from a most distressing, suffocating, dry cough that could not be removed or even eased by any remedy, doctors' prescriptions and patent medicines having been tried; but I am happy to say that the cough, pain in the chest, and difficulty of breathing, etc., were entirely removed by five doses of your Bronchitis Cure.—I remain, Sir, yours most respectfully, ———"
