YOU CAN'T EXPECT

Good Work from a Poor Machine, any more than you can from a poor workman.

Union Oil Engines

are BEST OF ALL—reliable, economical, cleanly, and magnificently designed. A cheap engine will cost you more for fuel, repairs, annoyance and vexation in six months, than will run our engines for a lifetime.

Under patronage of the New Zealand Government, who employ "Unions" from 95 h.p. to 3 1/2 h.p., both marine and stationary.

PRINCIPAL AGENTS—

W. A. RYAN & Co., Ltd., ENGINEERS, AUCKLAND.

We have large works and skilled workmen, and we are engineers who know our work—not only machinery importers. Estimates given on all classes of work.
