

A BIG CARGO—OVER A MILLION FEET OF OREGON PINE FOR AUCKLAND.

THE FIVE-MASTED SCHOONER INCA, WHICH ARRIVED IN AUCKLAND ON OCTOBER 17 FROM PORTLAND (OREGON), BROUGHT 1,300,000 FT OF TIMBER FOR ONE OF THE LOCAL MILLS.

A glance along the Inca's deck (as illustrated by the photograph) will show the great carrying capacity of this type of ship, no less than 600,000 ft being carried on deck.
