

Art in the Home.

ART in the Home can only be obtained by the most careful consideration of the relation which each article bears to the other. Consequently, those who contemplate house furnishing will be well advised to place the entire matter in the hands of an experienced firm.

Such a course not only ensures an artistic homogeneity throughout the Home, but saves time, trouble, and the chance of including what is inappropriate. We shall be pleased to demonstrate to you how you can, with a given expenditure, obtain the best results. Illustrated Furniture Catalogue free on application.

HEARNE'S BRONCHITIS CURE.

Those who have taken this medicine are amazed at its splendid healing power. Sufferers from Bronchitis, Cough, Croup, Asthma, Difficulty of Breathing, Hoarseness, Pain or Soreness in the Chest, experience delightful and rapid relief; and to those who are subject to Colds on the chest it is invaluable, as it effects a complete cure. It is most comforting in allaying irritation in the Throat and giving Strength to the Voice, and it neither allows a Cough nor Asthma to become chronic, nor Consumption to develop. Consumption is not known where "Coughs" have, on their first appearance, been properly treated with this medicine. No house should be without it, as, taken at the beginning, a dose or two is generally sufficient, and a complete cure is certain.

Small Size, 2/6; Large Size, 4/6 Sold by all Chemists and Medicine Vendors, and by the Proprietor, W. G. HEARNE, Chemist, Geelong, Victoria. Forwarded to any Address, when not obtainable locally.
