THAT COLD OF YOURS

If you do not take precaution it will be
First in the Head
and, if you still neglect it and let it take its course,
Then on your Chest
Then

it may result in Influenza, Bronchitis, Pneumonia, or even Consumption. You cannot afford to take any risks. Cure it with a bottle of Bonnington's Irish Moss—the remedy that has stood the test of over half a century. It will soothe the inflammation, heal the inflamed membranes and leave the lungs and throat strong and healthy. Don't be fooled into buying any so-called "Irish Moss." Insist on getting the original remedy—Bonnington's.

ON BEHALF OF THE BABY!

18, Broughton Street, Battersea, London.
January 10th, 1912.

Gentlemen,—My wife has asked me on several occasions to write, and testify to you the benefit that we have derived from the use of

'Woodward's Gripe Water'

with our two children. Honestly, we do not know what it is to have a bad night, and I lose no opportunity of informing my friends as to the cause of this. I am sure that if people only knew what a pleasure it makes the rearing of children, so long as the money was in the house they would not be without Woodward's Gripe Water. Our gratefulness for the good which Woodward's Gripe Water has done us must be my apology for this troubling you.—Faithfully yours, WILLIAM PECK.
