**Stop that Cough**

Colds and coughs are too serious to be trifled with. At first they may seem unimportant but, if not attended to, bronchitis, pneumonia or even consumption may develop. You need a medicine to soothe the irritation, break up the cold and leave the lungs strong and healthy.

There's no remedy so good as Bonnington's Irish Moss—for over half a century it has been the favourite family cough remedy.

But refuse substitutes. If an unscrupulous retailer tries to sell you an imitation or substitute tell him you want Bonnington's. Ask for it and insist on getting it.

with our two children. Honestly, we do not know what it is to have a bad night, and I lose no opportunity of informing my friends as to the cause of this. I am sure that if people only knew what a pleasure it makes the rearing of children, as long as the money was in the house they would not be without Woodward's Gripe Water. Our gratefulness for the good which Woodward's Gripe Water has done us must be my apology for thus troubling you.—Faithfully yours, WILDA AN BECK.
