

Stop that little Cough
From Growing Bigger

Every cough strains the delicate tissues of the throat and bronchial tubes. Stop the strain by curing the cough. Bonnington's Irish Moss not only soothes the irritation but cures the cough and heals and strengthens the membranes. All reliable retailers will sell Bonnington's Irish Moss when asked for it. They realise that it is right to do so, and they know that Bonnington's is the best cough and cold medicine for it has stood the test of half a century. Should any offer you a substitute or imitation, refuse it and insist on getting Bonnington's.

Gentlemen, My wife has asked me on several occasions to write and testify to the benefit that we have derived from the use of

**'Woodward's
Gripe Water'**

with our two children. Honestly, we do not know what it is to have a bad night, and I lose no opportunity of informing my friends as to the cause of this. I am sure that if people only knew what a pleasure it makes the rearing of children, as long as the money was in the house they would not be without Woodward's Gripe Water. Our gratefulness for the good which Woodward's Gripe Water has done us must be my apology for thus troubling you.—Faithfully yours, WILLIAM PECK.
