

The Child's Cough

is distressing to the older folks as well as the little one. Cure it promptly and effectually with Bonnington's Irish Moss—the remedy that for over half a century has been the standard family cough cure. There's no medicine so safe, so reliable, and so effective. Bonnington's is absolutely free from harmful drugs.

MR. A. M. GRANT, The Whaiti, Hokianga, writes: "Five years now I have used Bonnington's Irish Moss for coughs and colds. For children it is the best medicine in the world; easy to take and safe."

Refuse substitutes and imitations. There is only one BONNINGTON'S. Get it!

Woodward's Gripe Water in British India.

"The demand for 'Woodward's Gripe Water' during the past year has been tremendous. The older generation recommends it to the younger; friends speak to friends of its efficacy, and thus a steady sale is always going on. Certain families always keep a few bottles in reserve. A medical man here has used 36 bottles in his own nursery."

EDWARDS & COMPANY, Mullau, India. May 30th, 1912.

British subjects throughout the Empire find

Woodward's Gripe Water

the finest safeguard for the health of young children.
