**BOWLING IN WELLINGTON—THE NEWTOWN CLUB OPENS THE SEASON.**

There was a large gathering on the Newtown Bowling Club's green on October 5, when the season was opened. During the past season this club was very successful, winning the Northern Bowling Association's Banner and Shield, the Wellington Central's Senior and Junior Trophies, and other trophies. The visitors were welcomed by the President, Mr G. F. Scott. The upper half of the page shows a number of snapshots on the opening day. In the lower half is a group of those present at the opening. Inset is a view of the pavilion, with some of the club's trophies, including the Northern Bowling Association's Banner, flying from the flagpoles.
