

S. C. Smith, photo. WELLINGTON CHINESE CELEBRATE THE ANNIVERSARY OF THE REVOLUTION. The first anniversary of the Chinese Revolution was celebrated in Wellington last week, the Celestials having a "big" get out at Athletic Park. They ran races, played football, let off crackers, and made "masks" on strange instruments, and found fun in everything. The main picture shows a number of Chinese at Athletic Park, with the national flag flying on the left. Inset is the Chinese Consul and the organizer of the sports.

During a recent trip of the Hurawa from Auckland to Onehunga, a six-foot shark was hooked by the little girl shown in the photo. When hauled aboard, it was found to contain no less than 14 young sharks, which are shown in the picture.
