CONSTRUCTING A NEW ROAD FROM CAMBRIDGE TO HORA HORA.  
This road is being constructed through Manuherikia to Horeke. The present road goes over the hill to the back of the hill and there is a sharp dip from the new cutting round the hill to the Waikato River.

A NEW METHODIST CHURCH AT HASTINGS—ERECTED AT A COST OF ABOUT £4,000.

The above illustrations show interior and exterior views of the new Methodist Church which has recently been completed at Hastings. The seating accommodation is for 400, and the building is constructed throughout on the most modern principles.
