WHERE THE TORONTO MOTOR CYCLE CLUB HOLDS ITS HILL-CLIMBING CONTESTS.
 This hill is the steepest in Toronto, the grade being 16 per cent. The numerous ruts and the uneven surface of the road cause many spills and several of the machines were unable to make the grade.

AN AVIATOR'S TRIP ENDS ON A LONDON HOUSE-TOP.
 While flying from Bologna to Hendon last month, Signor Mando, the Italian aviator, had the unique distinction of being the first aviator to descend with rather more haste than alighty on to a London roof-top in the neighbourhood of Tallmer's Green, where his rescuers found him soddenly smothering a cigarette. The aeroplane and the roof of the house were considerably damaged.
