It will be noticed that Seaton Delaval is full of the most tashionable and best-staying English blood, and it is therefore not surprising that he was a stayer of the first water. Seaton Delaval won as a two-year-old, as a three-year-old, and as a four-year-old, and quitted the turf in 1894, as a five-year-old, sound in wind and limb. For quality and beauty of outline it would indeed be difficult to match him, and he ought to be a most successful stallion. The more noteworthy of the many triumphs were winning the Great Northern Handicap of £500 at York distance 13 mile, and the Great Northumberland Plate of £1,000, at Newcastle, 2 miles, and in this race he beat the winners of the Chester Cup, of the Manchester Cup, and of the City and Suburban. He also ran second in the Great Metropolitan Stake at Epsom, 22 miles; only beaten, a head; and in that race had behind him the winners of the Great Yorkshire Handicap, of the Goodwood Stakes, and of the Northamptonshire Stakes. The London Sportsman of December 19, 1894, writes as follows:—"As a son of the very successful sire Melton, a good-looking, sound horse, and a rare stayer, Seaton Delaval is pretty sure to make his mark at the stud, and, indeed, it is a long time since so good a horse was sent to New Zealand."

ST. HIPPO is a bay horse with deep black points, and stands about 16 hands 2 inches. He is a horse of great girth with very strong hindquarters, and measures well at all points. His performances are of too recent date to be forgotten. As a two-year-old he started five times. The early part of the season he was too overgrown to show to advantage, but in the autumn he won the Northern Champagne Stakes, and carried 9.4 into second place in the Nursery Handicap the next day, being beaten a bare head by North Atlantic, to whom he was giving 1018s. As a three-year-old he won the September Handicap at the A.R.C. First Spring Meeting; at the Hawke's Bay Spring Meeting he won the Guineas and Spring Handicap; at the C.J.C. Spring Meeting he won the New Zeal-nd Cup in 3.30; with 7.7 up, the heaviest weight ever carried to victory in this race by a three-year-old, and ran second to Stepniak for the Derby; at the A.R.C. Summer Meeting he won the Auckland Cup with 8.9, in 3.30; the Great Northern Derby, and Auckland Plate. As a six-year-old he ran second in the Auckland Cup, carrying 9.8, and won the A.R.C. Handicap, with 9.9, beating the winner of the Auckland Cup, giving her 2st 3lb. This was his last race. ST. HIPPO has served two seasons at the stud, and all his stock show plenty of quality, with size and good bone. Terms ron Apersoven Mares.—25 guineas for single mare; 20 guineas two or more mares the property of the same owner.
