DESCRIPTION.
LA RUE, foaled in 1889, is a bright bay with black points. 16 hands high, both hind feet white, and small star on forehead. He is grand-looking, and resembles the Electioneer, being a grandson to that noted sire. His trotting action is first-class.

PEDIGREE.
Sired by Campaign 9811; son of Electioneer 125, sire of 145 trotters in the 2.30 list, including Arion 2.73; Arion, 2.10 1/2, champion two-year-old record—Sunol, 2.8 1/2; Palo Alto, 2.8 1/2.
First Dam Clara D., record 2.49 when with foal, is sister to Honesty, 2.25 1/2, and Mockingbird, two-year-old record 2.38. Clara D. is also dam to Dewdrop (by Elect), that trotted a mile over the Sacramento track in 2.25, while owned by P. C. Hale, of Hale and Co.; Pram 1798, the sire of Clara D., is the sire of Frank M., 2.17; Honesty, 2.25 1/2; Harry M., 2.24 1/2, etc.
Second Dam Western Girl, by Chiefton 721, sire of Defiance, trotting 2.24, pacing 2.17 1/2; Caro, 2.26, and sire of the dams of Th. Verior, 2.15; Crown Prince 2.17 1/2; Tempest 2.19; Chief Thon 2.20, etc. Western Girl is full sister to Western Boy 2.38 1/2 and the Lyle mare that could trot with mate in 2.30.
Third dam, the J.H. Dodge mare, dam of Western Boy 2.38 1/2, by Jim Crow (Coburn's), said to be thoroughbred.

Read what The Breeder and Sportsman, of San Francisco, says:

In the last stall is a horse whose make-up and pedigree will attract general attention in the land he is going to. He is called La Rue and his registered number is 20,141. In color he is a beautiful bay; in height he stands 16.1, and weighs 1200 lbs. A model of beauty and a trotter that will make a low record is this grand-looking young horse. He was sired by Campaign, 9811, out of Clara D. (sister to Honesty, 2.25 1/2, a horse that has achieved fame as a sire in Australia), by Pram, 1768; second dam to Western Girl, by Chieftain, 721, third dam Dodge mare, by Jim Crow. Campaign was by Electioneer, 125, out of Lily B., by Homer, 1235 (son of Mambrino—Patchen and Sally Chorister, by Mambrino-Chorister); second dam Maggie Lee, by Blackwood, 2.31; third dam Lucille Abdallah, 15; fourth dam by Pilot Jr., 12. With such a splendid array of great sires, is there any reason why this horse should not make a great name? His progeny at Stockton cannot be excelled for size, style, pure trotting action, and speed. One thousand dollars was refused for one of his young fillies.

TERMS.—Single mare, £4 4s; two or more mares the property of one owner, £7 7s. All moneys to be paid by January 1st, 1900.
Further particulars to be obtained from the owner,
W. J. GREENWOOD,
Or the Groom in charge.

This sire has made the most promising debut at the Stud of any horse ever imported from England. His progeny raced for the first time last season, and, although only represented by half-a-dozen, three of them turned out winners and placed the young English horse at the head of the list of the successful sires for two-year-olds. The beautiful fillies Miss Delaval and Rosella, together with Hastings, are evidence of the great worth of this young horse.

PERFORMANCES OF SEATON DELAVAL'S PROGENY.
