INSTANTANEOUS RELIEF FROM PAIN.

IT CURES NEURALGIA, TOOTHACHE, EARACHE, BURNS, BRUISES, SPRAINS, CUTS, WOUNDS.

NO MORE HEADACHE OR LUMBAGO

FOR SPRAINS IT IS THE CURE.

Read the following from Mr. J. W. GRAY, Clarence-street, Ponsonby.—Dear Sirs,—I am sending you my honest experience. I was suffering from an attack of Lumbago, very severely, and ONE APPLICATION CURED ME; again I had a VERY HEAVY FALL, and "Ye Bishop's Bottle" worked wonders, in fact it cured me at once.

FACTS MUST BE STATED.

IT IS

THE GREATEST REMEDY EVER INTRODUCED.

NOTABLE CURES.

"YE BISHOP'S BOTTLE" TAKES THE PLACE OF ALL OTHER REMEDIES.

THE MOTHER'S FRIEND.

CURED AS IF BY MAGIC.

Mr. John Creamer, of Auckland, says:—"I have much pleasure in giving my testimony to the efficacy of your medicine called "Ye Bishop's Bottle" for the instantaneous cure of toothache, as, after suffering for a fortnight, it cured me as if by magic in a few seconds."

IT CURES A BAD KNEE

Mr. W. J. Boylan, agent, testifies to the great benefit he received from using "Ye Bishop's Bottle." He says:—"For a long time I was a great sufferer from a bad knee, but the one bottle you sent me gave almost instant relief, and I am happy to say I have not suffered since."

CORROBORATIVE TESTIMONY

The power of "Ye Bishop's Bottle" over rheumatism in the knee is confirmed by Mrs. C. Neile, Albert-street, who says:—"I have been suffering from rheumatism in the knees for more than two years. Mr. Armstrong brought me a bottle of your lotion, in which he has great faith. I experienced great relief immediately after the first application, and before the bottle was done the pain had gone entirely. I am very thankful for my attention being called to such a great boon and blessing."

NEURALGIA AND RHEUMATISM

William Jeffery, National Bank, Auckland, furnishes further testimony, if such were required:—"Having used your preparation, "Ye Bishop's Bottle" for several years," he says, "I am able to speak confidently of its excellent properties when used as a remedy for severe attacks of neuralgia and rheumatism. It gives immediate relief, and ensures refreshing sleep. I never fail to recommend the medicine to any persons whom I chance to meet who happen to be sufferers like myself, and I always keep a bottle by me, and I derive great benefit from its use when required."

IT ACTED IN MY CASE LIKE MAGIC.

The experience of Mrs. Dare, of Waitotahi Creek, Thames, should convince the most sceptical. She writes to us as follows:—"Having heard of the medicine sold by you under the name of "Ye Bishop's Bottle," and having gone through much suffering from rheumatism in my shoulder for a long time (so badly at times that I have been unable to raise my hand to my head), I was induced by a friend who happened to call, having a bottle of your wonderful medicine in their possession, to apply it to my shoulder, and to my surprise I found relief at once. It acted in my case like magic. I shall be glad for you to publish this, as there are many more sufferers who may be induced to try it and gain wonderful relief, as I have done. I have found it splendid for cuts and itchy spots on the skin."

USE IT FOR HEADACHES.

This is the advice of Mr. George Cooper, of Franklin-street, Thames. Being troubled with a severe headache, he saturated a piece of rag with the liniment and applied it freely to his forehead. He says:—"In less than two minutes the pain had completely vanished, to my surprise. I was very glad to have had it in the house after gaining such wonderful relief from it."

The absence of some of the horses that were expected to be entered by Mr W. R. Wilson for the Newmarket Handicap and Australian Cup thus accounted for by "Terlinga" in the Australasian, and his remarks may be useful to backers in this colony:—"Mr W. R. Wilson, who held such a strong hand for the Newmarket Handicap and Australian Cup of 1892, has this year only single entry for each event; and it is quite on the cards that neither of his representatives will face the starter. Steadfast has only just been put in work after being added to the list, and as La Tosca still bleeds at the nose after a gallop, it is quite possible that she will not be kept on the turf to the end of the season."

The five mares purchased at Messrs. W. C. Yuille and Co.'s sale at Newmarket, Melbourne, on December 19th on behalf of Messrs. Morton and Hay, of Coolangatta, New South Wales, have reached their destination. The mares are: Delight, by Slanderer—Fun; Ruby II., by Bradsfer—Ruby; Sister to Burlesque by Progress—Charade; Sea Ripple, by Progress—Murmur; and Fashionable Girl, by Albury, from Girl of the Period. The well-known horses, Manton and Churchill, are standing at Coolangatta, and the mares will next season be mated with one or other of them.
