But PATTERSON can keep him sound—that's more than they can do. The Horse, although he cannot speak, will thank him with his neigh, The Cow will moo, the Calf will bleat, the Donkey he will bray; Dogs lick the hands and frisk about—see how they wag their tails, Because they are cured—for PATTERSON'S RELIEF it never fails.

IT IS THE GREATEST REMEDY EVER INTRODUCED.

NOTABLE CURES.

FOR SPRAINS IT IS THE CURE.

Read the following from Mr. J. W. GRAY, Clarence-street, Ponsonby.—Dear Sirs,—I am sending you my honest experience. I was suffering from an attack of Lumbago, very severely, and ONE APPLICATION CURED ME; again I had a VERY HEAVY FALL, and "Ye Bishop's Bottle" worked wonders, in fact it cured me at once.

Auckland, Feb. 3rd, 1892.

We have all to thank you very much for the gift you made when you presented the Stratford route party with a Bishop's Bottle. This was the only medicine the party had on the journey, and we applied it to every complaint—to sore throat, swollen lips, toothache, and even as an antidote to the stinging of the poisonous onga-onga, and in all cases we were surprised at its efficaciousness.

When I was very ill, after being stung with this poisonous nettle, I got great relief from Bishop's Bottle. I may say, when we finished with the medicine, we hung the bottle up on a tree as a memento to future parties of our exploration in this country, and there the bottle will hang for many a day as a standing advertisement to all who pass that way.

Yours truly, JACKSON PALMER, M.H.R.

February 3rd, 1892.

DEAR SIRS.—Whilst travelling over the proposed route from Otago to Stratford, the party used the contents of 'Ye Bishop's Bottle' for many ailments. We found it gave quick relief to the pain caused by the sting of the poisonous onga-onga, and I personally obtained great benefit from its use.

Yours, FRANK LAWRY, M.H.R.

Auckland, N.Z., Aug. 7, 1891.

I have much pleasure in testifying to the great benefit derived by me from using the Bishop's Bottle. I have suffered severely for a long time from rheumatic gout, but the one bottle I got from you gave me almost instant relief, and you are at liberty to use this testimony as you may think fit.

Yours faithfully, JOHN HADFIELD.

DEAR SIR,—I have much pleasure in giving my testimony to the efficiency of your medicine, called 'Ye Bishop's Bottle,' for the instantaneous cure of toothache; as, after suffering for a fortnight, it cured me as if by magic in a few seconds.

Yours obediently, JOHN CREAMER.
