# MCFARLANE'S PATENT HORSE COVERS

This Cover has been recognised by Experts as being an Article  
in advance of anything of the kind ever  
offered to the Public.

To be had from all Storekeepers and Saddlers.  
Archibald Clark & Sons, Limited,  
MANUFACTURERS. AUCKLAND.

This Cover does away with the annoyance usually caused by ordinary covers  
becoming displaced, as in the case of a horse rolling.  
There is no erupper used, consequently the horse does not suffer from chafing  
or cutting of the tail, which often causes lock-jaw.  
The mode of attachment is simplicity itself, viz., the straps for fastening going  
round each hind leg, as shown in above drawing.
