DE MCLAUGHLIN'S ELECTRIC BELT **A CURE FOR...**

WEAK, SICKLY, PEOPLE.

ELECTRICITY is the Life of every man and woman. The amount Nature gave you to work your body would have been sufficient for all time, but most people, through neglect and excesses, have allowed it to drain away. In doing so they have lost the very essence of Life, the Vital Nerve Force, which is the vitality, the strength, and the nerve power of every human being. When that Force is exhausted from the body, what is the result? A Life of misery and suffering, and you lose all energy and ambition. You are timid, nervous, and desire solitude; your head and back aches, your Liver becomes inactive, and Indigestion, Dyspepsia, and Flatulency result, and in a great many cases ailments such as Rheumatism, Sciatica, and Lumbago are the outcome of a disordered and weakened system. Your sleep is greatly disturbed, and you arise more tired than when you went to bed, and with a bad taste in the mouth. All these disorders are the outcome of a weakened and run-down system, through the Vital Nerve Force of the body having run out. To repair that evil, and to give you back your health and strength, you require
