SEATON DELAVAL.

By Melton, out of Rosedale, by Rotherhill out of Mo's Ros, by King Tom out of Coukur de Rose, by Wes Australian.

It will be noticed that Seaton Delaval is full of the most fashionable and best staying English blood, and it is therefore not surprising that he was a stayer of the first water. Seaton Delaval won as a two-year-old, as a three-year-old, and as a four-year-old, and quitted the turf in 1894, as a five-year-old, and in wind and limb. For quality and beauty of outline it would indeed be difficult to match him, and has been a most successful stallion. The more noteworthy of the many triumphs were winning the Great Northern Handicap of £500 at York, distance one mile and three quarters, and the Great Northumberland Plate of £100 at Newcastle, two miles, and in this race he beat the winners of the Chester Cup, of the Manchester Cup, and of the City and Suburban. He also ran second in the Great Metropolitan Stakes at Epsom, two miles and a-quarter; only beaten a head; and in that race had behind him the winners of the Great Yorkshire Handicap, of the Goodwood Stakes, and of the Northamptonshire Stakes. The London "Sportsman" of December 19, 1894, writes as follows:—"As a son of the very successful sire Melton, a good-looking, sound horse, and a rare stayer, Seaton Delaval is pretty sure to make his mark at the stud, and, indeed, it is a long time since so good a horse was sent to New Zealand."

Melton was sold some years back to the Italian Government for £10,000, and English breeders have ever since been regretting that he was allowed to leave the country, as his stock have been uniformly successful. Owing to his being abroad, there were no two-year-olds to represent him in 1894, but in reviewing the racing season of that year, the London "Times" of December 14 last says:—"Melton, with twenty-three winners of over £13,000, should be given precedence over Wisdom, for Best Man, who won eight races, is undoubtedly his son, and as Melton's progeny have won £25,000 in the last two seasons, and have included such animals as Best Man Avington, Bullington and Indian Queen it is easy to understand the regret felt at his being exported to Italy."

So greatly has this regret been felt that Melton has since been re-imported into England, and he had a full subscription of mares for 1901 at £400 service for each. This is owing to the remarkable and uniform success of his first crop of two-year-olds sired since his re-importation that were running in 1890. Eight of them won no less than £12,857 in stakes, and of these more than one was unlucky in being badly ridden in races they otherwise would have won. Two of these two-year-olds, Toddington and Princess Melton, were sold privately for £25,000, and later in the year the remaining six, not thought to be as good, were sold by auction for £12,852, making in all £37,852 for eight two-year-olds after they had won £12,857 in stakes, equalling for sale price and stakes over £50,000 for eight Melton two-year-olds. This is believed to constitute a record in any part of the world. Seaton Delaval has sired the following winners:—Rosalia, Miss Delaval, Hastings, Blue Paul, Val Ross, Heddington, Jim Kean, Laetitia, Paul Seaton, Belfast, Spark, Mara, Nonette, Little Bess, Idas, Porizua, Grey Seaton, Northumberland, Gladisia, Mary Seaton, Silk-worm, Gladstone and Leo Delaval. During his first season Seaton Delaval's progeny won in stakes £2,078, and it must be remembered that this sum was won by four representatives. During the 1899-1890 season the progeny of Seaton Delaval have won the good sum of £1,151, placing him seventh on the list of winning sires in New Zealand, which considering that only twelve of his stock were racing comprised of two and three-year-olds, and eleven of which won races is an exceptional performance, and goes to show that he nicks well with almost any mare, and is not confined to only one family. The progeny of Seaton Delaval have won during the 1900-1901 season £5,208 10s, placing him at the top of the list of winning sires for the Auckland District, while this season he occupies the leading position among the living sires of New Zealand.

Will be limited to 20 mares, besides his owner's. TERMS FOR APPROVED MARES: 30 Guineas for Single Mare, 25 Guineas Two or More, the property of the same owner.

MENSCHIKOFF.

By Stepiak from Fibroch, by Lochiel from Fallacy, by Bladner from Despatch, by Young Flower. While racing Menschikoff proved himself one of the most brilliant colts that ever figured on the New Zealand turf, his record being 15 wins out of 19 starts. The following is a list of the races won by Menschikoff:—At two-year-old:—C.J.C. Juvenile Plate of 200 sovs, C.J.C. Electric Plate of 200 sovs, Great Northern Foal Stakes of 500 sovs, Wellby's Stakes of 800 sovs, Wellington Stakes of 300 sovs, C.J.C. Middle Park Plate of 250 sovs, C.J.C. Champion Plate of 250 sovs, D.J.C. Champagne Stakes of 150 sovs, D.J.C. Railway Plate of 100 sovs, North Island Challenge Stakes of 300 sovs. At three-year-old:—Hawke's Bay Guineas of 500 sovs, C.J.C. Derby of 750 sovs, Canterbury Cup of 400 sovs, Great Northern Derby of 500 sovs. Menschikoff is a rich bay in colour, and is one of the most compact horses that could be found in the country.

In the out Bluejacket is a good brown, and is one of the stout muscular sort, showing plenty of quality, and has a constitution of a fine type. He was undoubtedly an out-and-out stayer, a characteristic of the great line from which he descends. Pacahontas, a corner-stone of the Stud Book, and dam of the Emperor of Sires, Stockwell, coming in in his pedigree on both sides, St. Leger, his sire, being the best exponent of that line the colonies have seen.
