Why Are You Weak?

Dr. Richard Wallace, M.D. The Leading Specialist.

You can be strong. And we will treat you until you are strong.

If we had not the most sincere confidence in our distinct methods of treatment, we could not possibly make such a clear and clean-cut proposition to

EVERY MAN!

"Weakness."

In treating so-called "weakness," we employ no tonics or stimulants. "Weakness," in all its phases, and in practically every case that comes to us for treatment, is merely a symptom resulting from a state of chronic inflammation existing in the prostate gland. This inflammation may be a lingering result of some contracted disease, or may have been brought on by early dissipation, etc. In by far the greater number of cases the general health of the patient may be perfect, there being no lack of either physical or nervous energy. No stimulants or tonics are needed, and if employed would only result in temporary excitement of the functions, and positive injury to the tender and already disordered prostate. Our treatment is a local one entirely. It removes all inflammation, swelling, and tenderness from the prostate gland, establishes normal circulation throughout the parts, and restores permanently and completely all natural functions. By this method alone it is possible to bring complete restoration of strength and vigour.

Contracted Disorders.

Both the remedies we use and our methods of application are different from the ordinary. Thorough cures in half the usual time.

We also treat and thoroughly cure Specific Blood Poison, Varicocoele, Hydrocele, Stricture, Piles and all Reflex Ailments.

We Make No Experiments.
We Have No Failures.
Our Cures are Permanent.
Our Fees are Fair and
We Treat You Till Cured.

"Live All Your Years a Man"

DR. RICHARD WALLACE, M.D., who is widely known as an international expert in MEN'S SERIOUS DISORDERS, and who is Registered by Australian, English, and American Medical Boards, may be consulted FREE at the Institute.
