THE  
FORTUNA FILLY.

Owing to pressure on our space the conclusion of "The Fortuna Filly" is held over till next week.

Tell me not of diamond gems,  
Set in regal diadems;  
There's a priceless gem on earth,  
Of richer and of purer worth.  
'Tis priceless, and is known to fame,  
And you, perhaps, may know its name.  
For coughs and colds, the remedy, sure,  
Is known as Woods' GREAT PEPPERMINT  
CURE.

You Get Nothing But  
Lasting Good

From Its Use.
