Strictly Reliable.

Fees moderate, and only required when cure is guaranteed.

SPECIAL ATTENTION given to Nervous Diseases. Varicocele, Rupture, Piles, Hydrocele, Contagious Blood Diseases, and Acute and Chronic Urethral and Prostatic Inflammation.

Affections of men, commonly described as "weakness," according to our observations, are not such, but depend upon reflex disturbances, and are almost invariably induced or maintained by appreciable damage to the prostate gland when occurring in robust subjects in every other respect, these forms of so-called weakness are very amenable to proper treatment.

Contracted Disorders.

From statistics compiled from our practice, covering over 7500 cases, we find that 90 per cent have recovered in seven days or less. This successful treatment prevents all complications, such as stricture, inflammation of the bladder and prostate gland and kidneys, and, together with our extremely low fees, should induce all in need of treatment to consult us.
