TEED'S

MR. M. OLSEN, a well-known settler in Egmont Village, Taranaki, says:—"I was a cripple from a corn, of over thirty years' standing, and ridiculed any idea of a cure, yet was induced to use TEED'S. The result was my corn was extracted more like bone than flesh, and my foot left painless. I am indeed gratified. Mr. Teed deserves well of posterity. I would like to erect a monument for his discovery."

DISEASE and ITS CURE.

Disease to be properly treated must be properly understood. Numberless deaths are due to improperly treated disease. There is nothing worse than maltreatment. If a man is critically ill, and his life hangs in the balance, a specialist, who is perfect in his specialities, should be consulted. The man is given the chance to live. Skill, perfect knowledge, and treatment may save him. Some of the finest experts in MEN'S DISEASES comprise the medical staff of the FREEMAN and WALLACE INSTITUTE, Sydney, who never experiment, but guarantee to cure all cases undertaken.

MR. GEORGE TOWNS, World's Champion Oarsman.

Here is a testimony from one man cured by them. The Champion Oarsman of the World, Mr. Geo. Towns, who recently defeated Stanbury, says:

I underwent a course of your Electro-medical Treatment, and used your electric battery. I soon felt better, and confident I could stand any strain. Your battery is the best I have ever used.

(Signed) George Towns.

Mr. EDWARD CLARK, J.P., St. Leonards, Sydney, twice Mayor of that suburb, and its Member in Parliament for years, writes:

I tried your electro-medical methods with great success. My ill-health has disappeared.

As we cured this man, so we can cure you. He is but one of many who praise your treatment. Write your troubles. Letters promptly answered, and Medicine sent by Parcel Post.
