TEED'S

MR. M. OLSEN, a well-known settler in Egmont Village, Taranaki, says:—"I was a cripple from a corn of over thirty years' standing, and ridiculed any idea of a cure, yet was induced to use TEED'S. The result was my corn was extracted more like bone than flesh, and my foot left painless. I am indeed gratified. Mr. Teed deserves well of posterity. I would like to erect a monument for his discovery."
