

Of Special Interest

To Hotel and - - - Boardinghouse Keepers.

Does your tableware look as it should?

Have you Forks, Spoons, Cruets, etc., with the silver plate worn off?

Do your Pewter Pots look dull?

These can be replated with silver at low prices, and the expense of purchasing new goods saved.

It is worth investigation, and will amply repay you.

To show what can be achieved in this direction we are prepared to electroplate any small article free of charge, and would strongly advise you to take advantage of this offer.
