Government received £409 as totalisator

Maniapoto, who is now trained at Hawera, put up a slashing good gallop there over a mile the other day, cutting out the distance with heavy shoes on in 1:44½, which denotes that the son of Soult is in really good form.

From Hawera comes word that Mr. J. Goodwin has just taken a promising looking four-year-old brother to Uhlando in hand.

As usual a large number of ganui sports are looking forward to the Rangitikei meeting in anticipation of being present to witness the racing, which should be very interesting. Not only are the acceptances received good, but the horses engaged are a capital lot taking them right through. The club are making every effort to ensure the success of the gathering, and given fine weather it should be one of the most enjoyable fixtures ever held at Bulls, as there will be a very large attendance and some really fine racing.
