#### FIXTURES.

New Zealand Metropolitan T.C.-August 8, 12, and 14. Vincent J.C. (four trotting events), January 1 and 2.

A trotting match, fifty-two miles, in saddle, took place in South Australia recently, the winner covering the distance in four and a half hours.

Mr P. Selig, President of the New Zearland Trotting Association, is at present on a holiday visit to Sydney.

Mr C. H. Fitzgerald's horses, Peri-Huon and Durbar, have gone to Christ-church to Mr C. Piper. Both are sterling performers, and the enterprise of Mr Fitzgerald in bringing his horses over from Australia has been rewarded by both scoring a win, which in every case has been received with acclamation by the general public for their straight and consistent going.

The New Zealand Metropolitan Trottiog Club have fixed August 8, 12, and 14 for their Spring Meeting.

Mr T. Yarr, of Lincoln, is going out of the trotting business, and has decided to sell his trotters, amongst which are:

Monte Carlo, 4min 46 2-5sec; Victory, 5min 8sec, by Vancleve; Xerxes, 5min 23 sec, by Del Paso; Linwood, 5min 26sec, by Blackwood Abdallah; Rosetta, 5min 22sec, by Rothschild; The Boatman, 2min 33sec, by Wilkin; Naughty Girl, 2min 26 sec, 19 Jurgles, 2min 38sec sec; Ruggles, 2min 38sec.

Sailor Boy II., who won the Pony Trot at Kensington (N.S.W.) last month, is said to be over thirty years of age. He was bred by the Maoris in the Wellington district.

Among the new rules and amendments to rules of the New Zealand Trotting Association which will come up for consideration at the New Zealand Trotting Conference, to be held in Christchurch, the Auckland Trotting Club suggestions are — Rule 12: Delete the word "seven" in the third line, and insert "three." Add after the word "given." in the fourth line, the following:—"In the case of an appealwhere the totalisator money is impound-ed, a meeting or special meeting to con-sider such appeal shall be held by the As-sociation within seven days of the receipt of the necessary intimation and documents." Rule 20: Delete the words "considered frivolous" in the third line, and substitute "dismissed." Add to Rule "Should an appeal be considered frivolous the Association is hereby empowers. lous, the Association is hereby empowered to fine the applicant in a sum not exceeding £50," Rule 92: Insert after "£5," in the fourth line, the words "which shall be forfeited if the objection is dismissed." Rule 126: Delete "2s 6d," in the seventh line, and insert "5s." Add to Rule. "A cartificate of profider consideration of the seventh. certificate of registration, giving full description of the horse registered, shall be sent to the owner of such horse when the registration is completed." The above rules and alterations have been fully dis-cussed by the Auckland Trotting Club, and are recommended by them to be in the interest of trotting generally.

Football is to be encouraged in, or, rather, introduced into, the French army. The young French soldier hitherto has been practically a stranger to outdoor sport All he ha do wnen leave for the day has been to wander about the streets of his garrison town or sit sipping syrups—when it is not absin-the—at a care. He is now being taught to appreciate football. The game has so well caught on in the few regiments which have learnt it that colonels all over the country are thinking of providing their men with the means of playing it. The little soldiers, in their red trousers and grey flannel shirts, look rather funny when learning the mysteries of dribbling and the scrimmage. But if they do somewhat lack sinew and weight, they have plenty of agility, swiftness, and go. chief difficulty experienced by colonels anxious to develop a love of the king of winter games among their men is the question of ways and means. An original scheme is now about for providing the necessary is now afoot for providing the necessary equipment for football to as many regiments as possible. A sort of benefit Association match is to be played between an English scratch team and a French eleven. The proceedings of the takings at the gates will be entirely devoted to buying the requisite "leather," goalposts, etc., for Pioupiou footballers. The match out to draw a considerable sum of ought to draw a considerable sum of money, as the English team will be a strong one, including several ex-internationals.
