**TRENCH'S REMEDY FOR EPILEPSY AND FITS**

"A Splendid Record."

TWELVE TOOK THE REMEDY and ELEVEN WERE CURED.  
L.D.S. Business College, Salt Lake City, Utah.

June 26th, 1910.  
"Gentlemen,  
"I have been in Europe for three years, and have just returned. A number of people have applied to me for your Remedy for Epilepsy, so please send me some blank forms.  
"Some years ago I placed a great many orders for Trench's Remedy, and out of twelve people for whom I got the medicine ELEVEN HAVE BEEN CURED. I consider that a splendid record!"

"Mr. Armond F. Rundquist, whose unsolicited testimonial appears in your pamphlet, is one of the parties, and he mentions another. I laboured with Mr. Rundquist a long time before I got him to send for Trench's Remedy. He said he had spent a great deal of money in medicine without having received any benefit. Finally he decided to send for a supply of the specific, with the result that he has never had a return of the fits since he took the first dose. He recommended it to a family by the name of Olsen, in the southern part of Salt Lake City, in which a child had from 15 to 40 spells each night. When I saw the father of the child he told me that the little one was almost completely cured. A short time ago I got some of the medicine for a gentleman named Owen, of this city. I saw his brother a few days ago and he told me that Mr. Owen has not had an attack since he commenced taking the Remedy, and that he has greatly improved in health."

"You may use my letter in any way you desire."

Very truly yours,

WM. A. MORTON, Registrar, L.D.S. University.
