CANTERBURY JOCKEY CLUB.

AUTUMN MEETING.

CONCLUDING DAY.

WARSTEP WINS GREAT AUTUMN.

(By Telegraph—Own Correspondent.)

The Canterbury Jockey Club was again fortunate in the weather conditions prevailing for the second day of its autumn meeting, there being an entire absence of wind, with bright sunshine. Though not up to the first day's crowd the attendance was quite up to the average, and the course was even faster than on the opening day. There was a marked falling off in the size of the fields, but the racing was full of interest. Speculation was particularly brisk, £32,950 being invested, as against £29,097 on the corresponding day last year.

On the strength of his easy first day's victory Daylight Bill was made a strong order for the Peerswick Hurdles, Commotion being next in demand. For three-parts of the journey the favourite looked like winning, but though he landed in advance over the last obstacle, the weight then told, and he was beaten out of a place. Victory was handed to Commotion, who was handy all through, and fenced much better than in his previous essays.

A use ul field of nine two-year-olds lined up for the Autumn Nursery Plate. Down, Recorder and Bellshire, who filled the places in the Russley Plate on Monday, being supported in that order. It was a pretty race, for after Xanthos had settled the pretensions of Bellshire at the distance, he had to be ridden right out to stall off Down's final challenge.

The English-bred Bonny Rigg was made favourite for the Yaldhurst Welter, but after holding a good position in the early stages she received a bump, dropping back to last. Fabrikoff was soon in front, and never gave the opposition a look in, eventually winning by half a length from Don Francisco. The latter was last turning into the straight, and put in a great run to finish where he did.

THE GREAT AUTUMN.

Nightwatch, Banksia and Scotch Melody, who had run badly on the first day, were allowed to drop out of the Great Autumn leaving a well conditioned field of nine to dispute its possession. It was a splendid betting race, for though Warstep and Ladoga were in most demand there was strong support forthcoming for First Glance, Multiply, and Ogier. After Gold Soul and Ogier had run themselves to a standstill, Warstep took charge, and just lasted long enough to stall off a determined challenge by Ladoga, who at one stage was running second to last. Warstep's achievement was a remarkably fine one, but had Ladoga been better placed in the early stages he would most probably have reversed the half length that divided the placed horses at the finish. Several lengths back came First Glance, followed by Specialform and Multiply. The winner established a fresh weight carrying and time record, and on returning to the birdcage received one of the heartiest receptions ever heard at Riccarton.

After running in the rear for most of the journey, Merry Trick put in a fine effort at the finish of the Adding-ton Handicap, and just managed to head Art in the last few strides. Matgarde ran a fair race, but Volspiel was troubled by the distance, and finished badly.

Flying Start and Emperor looked none the worse for their first day's exertions when stripped for the Challenge Stakes, and the two-year-old had a slight call in the betting over his older opponent. After giving a lot of trouble at the start the favourite got well away, but being steadied soon fell back second to last. Emperor took up the running, but going round the top Bonny Dream cleared right off from her field, but almost ran off the course as the straight was reached. Half-way down the running Flying Start put in a fine effort and beat Emperor in the run home by nearly two lengths. It was a meritorious achievement, and stamps the winner as easily the best juvenile seen out at the meeting. He is just the sort to develop into a Derby colt, for he has both size and stamina. Emperor ran a fine race, but had no chance with the two-year-old.

The Templeton Handicap was robbed of much interest by Dinner Gong and Charmilla getting left. Croesus was in the lead for half a mile, but then faded out again just as in the Great Easter. Clynelish was always handy, and coming with a fine finish won by half a length from Day Time in the remarkably good time of 1min 12 4-5 sec.

Chortle put up a splendid performance by carrying 9.13 to victory in the Final Handicap, for amongst those that opposed him were several useful performers. Marsa made the pace very solid from the start, but failed to stay, while Banksia again let her many supporters down badly. The results were:—

PEERSWICK HURDLE HANDICAP of 200sovs. One mile and three-quarters.

Daylight Bill led from Commotion, and at the last hurdle seemed to have winning prospects. Once over he fired, and Commotion went on and scored a comfortable length win from Cast Iron, with Optician a length away third. Time, 3min 16 4-5sec.

AUTUMN NURSERY HANDICAP of 400sovs. Six furlongs.

- 4—G. D. Greenwood's ch c Xanthos, by Achilles or Bezonian—Sun-glow, 7.8 (C. Emerson) ..... 1

The field got well away, the first to show out being Bellshire and Treadfire. With half the distance gone Bellshire was just in front of Xanthos Treadfire and Gowanbrae, but before reaching the outer stand he was passed by Xanthos and Down. This pair fought out a good finish, victory resting with Xanthos by half a length. Bellshire was a length away third, followed by Marc Anthony and Recorder. Time, 1min 14sec.

YALDHURST WELTER HANDICAP of 250sovs. Seven furlongs.

- 7—H. A. Boyles' b c Fabrikoff, by Menschikoff—Fabia, 3yrs, 8.13 (G. A. Pine) ..... 1

From a good send-off Peg was quickest to begin, but with a couple of furlongs gone she gave way to Fabrikoff and Honesty, with Don Francisco bringing up the rear. Fabrikoff made play from Honesty all round the top turn, and he was well clear as the straight was entered. From this out the leader had matters all his own way, and won by half a length from Don Francisco, who made up a lot of ground in the last half mile. Twelfth Night was third, a length away, followed closely by Peg and Glenowl. Time, 1min 28 sec.

GREAT AUTUMN HANDICAP of 1300 sovs. One mile and a-half.

- 1—C. G. Dalgety's b m Warstep, by Martian—Stepdancer, 4yrs, 9.11 (F. E. Jones) ..... 1

Going out of the straight Ogier was just showing the way to Warstep, Specialform and First Glance. In that order they raced past Cutts' point. At the mile post Gold Soul shot to the front, and acted as pilot all along the back from Ogier. First Glance and Warstep, with Kilrain bringing up the rear. There was little change in the order going round the top turn except that Ladoga worked his way up from nearly last to fifth position. Before reaching the straight Gold Soul was done with, and once in line for home Ogier also retired. This left Warstep just in front of First Glance, Specialform and Multiply, with Ladoga coming fast. Inside the distance the last named put in a strong challenge, but though he lessened the gap he was still a neck to the bad when the post was reached. Two lengths further back came First Glance, followed at a length's interval by Specialform. The next to finish were Multiply and Court Martial, with Ogier and Gold Soul last. Time, 1min 33 3-5sec.

Battle Eve and Flying Start were bracketed on the machine.

Flying Start soon showed out, and she gave place to Emperor and Bonny Dream was right out in front, but at the entrance to the straight ran right over to the outside fence. Emperor was in front at the distance, but Flying Start wore him down and won by a length. Sauci was close up third, followed by Battle Eve. Time, 1min 27 2-5sec.

FEILDING JOCKEY CLUB.

EASTER MEETING.

(By Telegraph—Own Correspondent.)

The Easter meeting of the Feilding Jockey Club was brought to a conclusion to-day (Tuesday) in splendid weather, and in the presence of a record attendance. The various races were keenly contested, and some capital finishes were fought out. Sir Alba won the Easter Handicap in convincing style. There was quite a chapter of accidents in the Kimbolton Hurdle Race, but fortunately none of the jockeys were seriously injured. The returns from the totalisator for the two days amounted to £55,932, compared with £54,559 that was dealt with at the corresponding meeting last year. The results were:—

KIMBOLTON HURDLES HANDICAP of 175sovs. One mile and three-quarters.

- 1—E. Kemp's br m Vi, by Merriwee—Armada, aged, 10.2 (A. McMullan) ..... 1
5—H. J. Cameron's blk g Waterworks, by Sou'wester—Rita, aged, 9.7 (E. Copestake) ..... 2
Also started: 3 Bravest (Traill), 2 Flingot (O'Connell), 4 Aruake (Cress).

Vi was rushed to the front at barrier rise, and showed the way to Bravest entering the straight. The obstacle in the straight proved disastrous to Bravest, who fell, and whilst the latter was lying in a heap Aruake stumbled over him. This left Vi with a big lead. Going around the back Flingot commenced to move up, but the geld-

ing struck the second to last hurdle, and, coming a cropper, unseated his rider. This left Vi to win as she liked, which she did with about 20 lengths to spare from Waterworks. These were the only two horses to finish, and the race proved a regular fiasco. The jockeys F. Cress, L. Traill, and Jerry O'Connell were all more or less severely shaken, but no serious results are anticipated. They were removed to the casualty room in the ambulance. Time, 3min 21 2-5sec.

Going around the back Katua assumed the lead, with The Diver and Monologue handy. The trio jumped the last hurdle almost on terms, and in an excellent contest Monologue won by a head, Nita half a length away, The Diver a close fourth, and Advancement last. Time, 2min 49 4-5sec.
