BEECHAM'S PILLS
 have been proved to be of the greatest value for keeping the organs of digestion and assimilation in a state of healthy activity. Taken periodically and in accordance with the directions, they ensure freedom from biliousness and its attendant discomforts—constipation and its accompanying evils—flatulence—heartburn—and those enervating ailments which arise when the digestive system is out of order. The judicious use of Beecham's Pills **WILL HELP YOU** in many ways to keep in good health, for they have in addition to their stomachic qualities, a purifying influence upon the blood and a stimulating action upon the liver and kidneys. It cannot be too strongly urged that sound health, in these strenuous days, is supremely necessary to all who are anxious to do well in life. Beecham's Pills, by fortifying the general health against the attacks of disease, can undoubtedly play an important part in enabling you at all times **TO KEEP WELL.**
 Sold in boxes labelled, price 10½d. (36 pills) 1/1½ (56 pills) & 2/9 (168 pills).
