If

you've never rolled your own cigarettes, you do not know how cool and how sweet a smoke can be.

Try making your own cigarettes just once - make them with "A.G." cigarette paper and fresh tobacco. You'll agree that you never had a finer smoke in your life, and you'll wonder why you never thought of it before.

But insist on

'A.G.' Cigarette Paper

The cigarette you make yourself smokes far better and costs far less. But the cigarette paper should be "A.G."
