Make YOUR HAIR beautiful

Nature intended your hair to be beautiful. When the natural oil which protects and beautifies the hair is deficient, it must be supplemented. Otherwise the hair will become dull, dry, and brittle; it will split at the ends and prematurely fall out. If you wish to make it beautiful, you must rub into the scalp

ROWLAND'S MACASSAR OIL

which flows quickly to the roots and affords the nourishment essential to the growth of luxuriant hair. Prepared in a golden tint for fair hair.

Sold by Stores, Chemists, Hairdressers, or ROWLANDS, 67, HATTON GARDEN, LONDON. Great care must be taken to ask for Rowland's Macassar Oil, and avoid cheap, spurious imitations.

Are Your Lungs Weak?

Diseased lungs cause more deaths every year throughout the length and breadth of the universe than all other human afflictions.

Consumption is always preceded by a cold, developing into a cough, which is followed by a gradual weakening and wasting of the system, resulting sooner or later in the great white scourge.

LANE'S EMULSION

is the most effective of all remedies for throat and lung affections. It is composed of an aggregation of lung healing, strength-renewing, health-giving ingredients which are so skilfully and accurately compounded as to assure the quickest recovery without the slightest danger to the weakest constitution.

Norwegian Cod Liver Oil, fresh Eggs, Beechwood Creasote and Hypophosphites of Lime and Soda.

These are the constituents of Lane's Emulsion, and if you ask the doctor, he will tell you that they are all of the greatest value in the treatment of lung, throat, digestive, and wasting diseases.

Here are a few extracts from testimonials in our possession. They prove its value.

"I cannot help but praise Lane's Emulsion, it did me so much good."

"We are never without Lane's Emulsion. It always cures our colds."

"As soon as the children have the least cold, I give them Lane's Emulsion."

"Your Emulsion cured me of bronchitis of five years' standing."

"We think worlds of Lane's Emulsion. It made our child strong and well."

Let Lane's Emulsion tell its own story of health in your home. Get a bottle from the local chemist or storekeeper. The price is 2/6 and 4/6 per bottle, of which the larger size is the more economical. Refuse all substitutes.

Prepared only by E. G. LANE, Chemist, Oamaru, N.Z.
