

# Ingenuity of the French Engineers in Railway and Bridge Construction.

THE LINE TO VICTORY.—FRENCH ENGINEERS ENGAGED IN CONSTRUCTING A RAILWAY LINE WHICH BRINGS THEM NEARER AND NEARER TO THE GERMAN FRONTIER. THIS GRADUAL EXTENSION OF RAILWAY COMMUNICATION TOWARDS THE ENEMY'S LINES IS REGARDED BY THE GALLANT FRENCH SOLDIERS AS AN INFALLIBLE MEANS TO ULTIMATE VICTORY.

A PONTOON BRIDGE CONSTRUCTED BY THE FRENCH OVER THE YSER FOR THE TRANSPORT OF TROOPS IN THIS SECTOR.
