Do you study the question of economical delivery as closely as you should do?

The closest economy was never so insistent as at present; therefore all men considering the adoption of Motor traction should bear in mind that economy is the characteristic of the

“WHITE.”

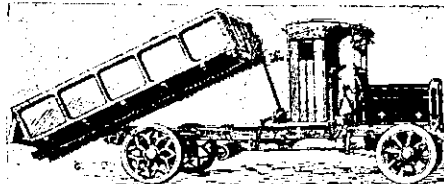

Read what a Wellington owner says of his “WHITE.”

Dear Sirs,—The “White” lorry we purchased from you has proved highly satisfactory. The engine works beautifully and surprises everybody with its hill-climbing power. The machine as a whole is a most perfect combination of smooth working mechanism for heavy grade traction.

We can give immediate delivery of all grades. We are also carrying large stocks of spare parts.
