

ELLERSLIE ITEMS.

TUESDAY.

This morning most of the work was of the medium pace order. The sand, outer grass and tan tracks were available.

Hopfield, the local favourite for the Easter Handicap, put in easy pace work on the sand. This gelding looks bright and well.

Hiero and Colonel Soult sprinted four furlongs on the tan in 51 2-5sec, with heads together.

Lady Bruce put in easy pace work on the two-year-old rink and looks none the worse for the enforced rest.

Most of F. Macmanamin's team were on the easy list, but Tabasco and Fisher put in a solid tan circuit, finishing together in 1min 52sec.

Fahrquette and Arran put a tan circuit past, not looking for time, while Bowler and another sprinted six furlongs on the grass in 1min 18sec, the former leading.

Rosori alone skipped over a tan five furlongs in 1min 8sec.

Prince Merriwee anxious to extend himself, put in strong work alone.

Marble Star, Lady Glen, Jack Delaval and General Joffre did strong work.

Tact alone worked at three-quarter pace.

Tragedy King put in his usual tan circuits with a light boy in the saddle.

Loyal Arch and Flower Gold ran along for a few furlongs separately at a good pace.

Opposition and Harlestone sprinted four of five furlongs on the grass in 52 1-5sec.

C. Coleman's team, Marconi, Dancas-

Merry Roe in her work on the tan. The same horseman has been engaged to pilot Cardrona on the opening day of the A.R.C. autumn meeting.

The chestnut Step, in J. Chaaf's stable, ran half a mile in company with Royal Prince. The ex-Hawke's Bay gelding had the best of the flutter.

Scottish Knight was putting in some light tasks in company with a stable mate. The Robert the Bruce youngster looks well.

The maiden hurdler Te Whetumarama is back again putting in useful toil and has quite recovered from the clouts he got while schooling some time back.

Jocular, Monathol, Waimai, Bleriot, Plenipotent and others put in useful work.

Jocular is in work again under H. French's guidance.

Royal Prince is doing nicely under J. Chaaf's care.

Lady Glen was sore last week and was in consequence not taken to the Ohinemuri meeting. She appears to have got over her trouble again.

C Coleman is now in his new quarters at Ellerslie with his useful team.

Horses trained at headquarters did very well at the Ohinemuri meeting on both days.

J. Conquest, with four winning rides on the second day and two on the first at Ohinemuri, had quite a successful meeting there.

Trainer Sharp's successes with Mr. Raven's pair of Spalpeen mares, Fionnuala and Glendalough, were deserved, for he has them well.

Ring Lupin's double success at the Paeroa meeting would be some compensation for recent disappointments to his owner and trainer.

standing start, ran six furlongs on the

well.

Tararu Jack put in three easy rounds

again after his spell.

After breakfast El Gallo and Ulster

They both look in forward condition.

Cardrona was working on the tan,  
and looks all the better for the racing  
he has had in Hawke's Bay.

The three two-year-olds, Demotic,  
Bingham and Woody Glen, sprinted  
half a mile on the grass, finishing with  
heads together.

Pearl d'Mont sprinted a few furlongs

TROTTING STUD BOOK.  
(To the Editor.)

Dear Sir,—May I trespass on your  
space to bring before the notice of  
light harness horse breeders the fact  
that Volume V. of the New Zealand  
Trotting Stud Book is in course of  
preparation. There are many own-  
ers in the Auckland district who have  
not yet realised the importance of  
having their brood mares and pro-  
geny included in this valuable re-  
cord. No charge is made, and the  
benefit arising to owners will always  
be great in the years to come, making  
the work valuable also. I shall be  
very pleased to receive particulars  
of all additional foalings of mares  
entered in Volume IV. and also of  
brood mares that do not figure in  
that issue. Entry forms and any
