GOITRE

A remedy for Goitre with over 3000 successes to its credit is surely worthy of investigation. **Doig's Goitre Treatment** seldom fails to reduce the swelling within two or three weeks and usually reduces the neck to its normal graceful lines, within a few months, leaving no trace. It has succeeded in scores of cases where the Goitre has been of many years standing and where all other methods have failed. Further information Post Free on application to **A. A WELL-KNOWN West-end Milliner writes: "If only ladies knew, as I do, the world of difference in durability, they would never accept any of the inferior imitations or substitutes offered in place of the genuine **Dynamo Rainproof Tulle.**"

If you really want Tulle that moisture cannot mar, that rain cannot ruin, the only way to be sure you get what you want is to see that the Tulle is cut from a card bearing the **Dynamo** name and trade mark.

Dynamo Tulle is not only positively rainproof. It is also sunproof. It is colour-fast. It is fadeless.

Dynamo Tulle Scarves

For Scarves, **Dynamo** is the one Tulle which gives you that sheer, crisp, fresh-looking effect and adds that distinctive touch of smartness to a hat or scarf which ladies so much admire. It is wonderfully durable—it can be worn over and over again.

Ask for **Dynamo Rainproof Tulle**—and see that you get it. Every shop can supply.

Dynamo RAINPROOF Tulle

The best Milliners always use **Dynamo Rainproof Tulle.** The best Stores sell it by the yard. Ask for it by name and decline to be put off with so-called "just-as-good" kinds, which only cause annoyance and extra expense.

In black and white and all fashionable shades. 1/6, 1/3 and 1/6 per yard upwards.

If any difficulty in obtaining send P.O. stating quantity, colour, and price per yard to "Dynamo" Enquiry Dept., Carlton House, York Street, Sydney.
