The "Review" each week reaches racing and trotting men in every corner of New Zealand, and no better medium for advertising the different stallions that will be at the service of breeders during the next few months could be obtained than this widely read paper.

Announcements of stallions taking up stud duties will be inserted at a reasonable charge, and a special feature made of reproducing photographs of each sire, together with an article dealing with his pedigree, performances and other qualities. BY STEPNIAK — MADDER,

Nordenfeldt — Steppe, half sister to Hermit and dam of Russley, She (dam of Bobadii) and Stepfeldt, dam of Elevation, Provocation, Gravitation and Reputation.

ALL RED is a beautiful dark bay, 18 hands 2 inches high, on real good feet, with plenty of bone of good quality. He is without a doubt Stepniak's most commanding son, and although he has had but few chances, his stock won just on f5000 last season.

CYLLENE was a good winner himself and his son Polymelus (3) is now the leading sire in England. His sire Bona Vista (4) is one of the most successful of the sons of Bend Or, from the Isonomy (19) mare Arcadia, who was from The Hermit (5) mare Distant Shore, who was from Land's End, by Trumpeter (1) from Faraway, by Young Melbourne (25) from Maid of Masham.

HYMETTUS is rich in Stockwell and Touchstone strains, and has already proved himself a worthy sire, member of the great Agnes family from which so many brilliant racehorses and sires have descended. He was fourth on the list of winning sires in New Zealand last year, and with 20 winners of place money, including that exceptionally fine colt Hymestra and his full sister Torfreda, has done better than most imported horses the same time at the stud. His progeny are sound and brilliant and for early speed commend themselves. He was a good horse himself, and has thus plenty of credentials for sire purposes.

Eleven approved mares at 50 guineas. For full particulars apply to R. D. MORRISON,
