Make YOUR HAIR beautiful

Nature intended your hair to be beautiful. When the natural oil which protects and beautifies the hair is deficient, it must be supplemented. Otherwise the hair will become dull, dry, and brittle; it will split at the ends and prematurely fall out. If you wish to make it beautiful, you must rub into the scalp

ROWLAND'S MACASSAR OIL

which flows quickly to the roots and affords the nourishment essential to the growth of luxuriant hair. Prepared in a golden tint for fair hair.

Sold by Stores, Chemists, Hairdressers, or ROWLANDS, 67, HATTON GARDEN, LONDON. Great care must be taken to ask for Rowland's Macassar Oil, and avoid cheap, spurious imitations.
