

At a meeting of the Otago Motor Club, Mr. A. E. Ansell (president) stated that it was quite impossible for the club to conduct the transport of returning soldiers to their homes without the unanimous assistance of all motorists. The committee had

drafted a circular, which would be posted to every motorist in Dunedin, giving some idea of the work the club had done in meeting returning soldiers and conveying them to their homes, and soliciting the assistance of owners in the good work.

Palmer Cord Tyres give greater speed, mileage, and wear-resistance, and save petrol

because of their friction-free Palmer Cord foundation, and their wonderful tough rubber Tread. Actual scientifically-adjusted tests show their greater mileage per gallon of petrol. Day-in-day-out, hardy-country tests prove that their superb tough three-ribbed tread is ideal for Colonial conditions.

Palmer Cord Tyres, for Light and Heavy Motor Cars, Cycle Cars, Motor Cycles, and Aeroplanes.

Palmer Fabric Tyres, for Motor Cycles, Cycles, and Autowheels.
