The Theatre or Dance and the Crossley Car.

A STIRRING play, a luxurious seat—a polished floor, a musical delight. These are anticipations to be realised upon your arrival at the theatre or the dance. But how about the journey? Have you the means of transport which equal in enjoyment the charms of the players or the delights of the ball-room? Ask your friends who own a Crossley what part such a car plays in their social life. Their experience will convince you that a Crossley Car is a worth while car—that it is a “Quality Car”—and that it is an essential addition to the possessions of the perfectly contented man or woman in this Dominion.

You will be glad you waited for a Crossley.
