Motoring Pleasure in Fullest Measure.

THERE are many ways a Crossley Car can serve those to whom time means money. There are many ways too in which its advantages will be apparent to those who appreciate comfort. The Crossley—the post-war motor-car *de luxe*—will be built with a definite range of objects in view, objects which will enhance the pleasure and safety of motoring. Two of these objects are (a) to provide a means of speedy transport for those who need it and (b) to provide a means of extraordinary comfort and luxury in quick travel.

There's a Crossley waiting list which grows every week. Is your name on it for early delivery?
