SHOPPING by CAR

a pleasure instead of a purgatory. In tropical climes the possession of a car makes a day's shopping You just bowl along without exertion, your own speed creating a refreshing breeze, which to the pedestrian is unattainable.

The A.C. is the best little car imaginable for such expeditions—light, speedy, comfortable, economical and trustworthy. Its remarkable simplicity makes the A.C. ideal for the lady-driver.

Government work precludes us from supplying cars at present. May we book your order for post-war delivery?
