

Merry Roe's sister, Cherry Roe, has been sent on a visit to Nassau by her owner, Mr. W. Ryan, of Auckland. She is in foal to Potoa.

Poitrel, who won the three weight-for-age events at the Australian J.C.'s autumn meeting, is the property of Messrs. W. and F. A. Moses, breeders, of Arrowfield Stud, Hunter River, and he is trained by H. J. Robinson, at Randwick. He has been a profitable proposition, though he began his career most inauspiciously. He started badly by failing to win a race as a two-year-old, but last season, at three years, he captured the Summer and Tattersall's Cups at Randwick. In the spring he beat Desert Gold at weight for age, and probably he would have given the last Melbourne Cup a great battle, but he partially broke down in the Metropolitan, and did not run again until recently at Rosehill, when he was unplaced in a couple of middle-distance races, which proved too short for him.

"ASK LOASBY ABOUT IT."

ROOM 24, HIS MAJESTY'S ARCADE  
(The lift puts you down at my door).

In soliciting your support let me tell you my qualifications, to prove to you that I am not an adventurer or an itinerant quack.

For well over 40 years I have made a hobby of prescribing. I built up an enormous business in Christchurch by my ability to do my customers good.

I sold out for the biggest goodwill ever paid in the Dominion for a chemist's business.

The Hospital Board, on January 6, wrote thanking me for the work I did during the Influenza Epidemic: "First in assisting to organise the campaign, then preparing various standard medicines in superlative quantities and later in giving your special professional knowledge in assisting members of the medical profession in visiting and prescribing for hundreds of sufferers."

Do you think the Hospital Board would send me a letter like the above if I had not proved I was competent to prescribe, and this when it was often a matter of life or death?

I treat all minor ailments such as Rheumatism, Sciatica, Lumbago, Stomach, Liver or Kidney Troubles, Indigestion, Fulness after Eating, Constipation, Poverty of the Blood, Nervousness, Low Spirits, Noises in the Head, Sore Legs, Varicose Ulceration, Skin Diseases, Coughs, Colds, Influenza, Catarrh—all the ailments that make life miserable yet do not confine you to bed.

A. M. LOASBY,

The Only Prescribing Chemist,

## Safeguard Against Delays

The work of a motor lorry should be carefully watched by those who are actually responsible for the welfare of the business. As you know, a lorry often carries loads of great value, and it is important that the goods be delivered by a specified date. The consignor is not giving good service when deliveries are indefinitely delayed.

**Put KARRIER Quality into your delivery service and delays in transit will be conspicuously few.**

The Quality of the KARRIER has been carefully thought out, is placed first and foremost in design and workmanship; and is so built into the lorry as to become integral with the whole. KARRIER Quality, then, is the result of a clearly defined policy to produce a lorry that is able to give such satisfaction as only the highest Quality can ensure.
