Headache, Indigestion,
Constipation and Biliousness.

The immense number of orders for
Frootoids, sent by post direct to the Pro-
prietor, is convincing proof that the
Public appreciate their splendid curing
power over the above-named complaints.

Frootoids are elegant in appearance and
pleasant to take; they are immensely
more valuable than an ordinary aperient;
they remove from the blood, tissues, and
internal organs, waste poisonous matter
that is clogging them and choking the
channels that lead to and from them.

The beneficial effects of Frootoids are
evident by the disappearance of headache,
a bright, cheery sense of perfect health
taking the place of sluggish, depressed
feelings, by the liver acting properly, and
by the food being properly digested.

Frootoids are the proper aperient medi-
cine to take when any Congestion or
Blood Poison is present, or when Conges-
tion of the Brain or Apoplexy is present
or threatening. They have been tested,
and have been proved to afford quick
relief in such cases when other aperients
have not done any good at all.

Frootoids act splendidly on the liver;
a dose taken at bed-time, once a week, is
highly beneficial.

A constipated habit of body will be
completely cured if the patient will on
each occasion, when suffering, take a dose
of Frootoids, instead of an ordinary
aperient. The patient thus gradually
becomes independent of Aperient Medi-
cines.
