**ALL BUT ONE.**

"My husband has all the virtues but one," remarked the wife of a struggling young doctor.  
"What is that?" asked her sympathetic friend.  
"Patients," replied the young wife.

**BEYOND ENDURANCE.**

Two Scottish sugar planters in Demerara were boasting about their indifference to the bites of mosquitoes. The dispute got so warm that Mac bet Allister that he was the better man. Both agreed to lie down on the verandah in the scantiest raiment. Smoking and drinking were

permissible, but the first man who complained of the bites was to lose a five-pound note.

For a long time each endured the onslaught of the blood-suckers; but at last Allister could stand it no longer. He turned over preparatory to capitulating, and noticed that Mac's back was towards him. Allister was smoking a cigar, and, carefully removing the ash, he applied the red-hot end to Mac's back.

"Eh, mon," yelled Mac, "that was a dickens of a gallinipper!"

"You'll send me the fiver in the morning," was the only remark of Allister, who tumbled into his clothes as quickly as possible.

**NOT WHAT HE WANTED.**

The following letter was sent by a man to his son at college:—"My dear sir,—I write to send you some new socks, which your mother has just knit by cutting down some of mine. Your mother sends you ten pounds without my knowledge, and, for fear you would spend it wisely, I have kept back half and only sent you five. Your mother and I are well, except that your sister has got the measles. I hope you will do honour to my teachings; if you do not you are a donkey, and your mother and myself are your affectionate parents!"

**LOGIC!**

Voice (in derision): Ah-h, git work. Let the idle rich get work. Let me tell you, if everybody did his fair share of work there would be no necessity for anybody to work at all.

**Dirty Drinking Glasses!**

Good-bye to the old Glass Washing Trough behind the Bar.

**An Ingenious Invention.**

INDISPENSABLE FOR HOTEL BARS. A NECESSITY FOR PUBLIC HEALTH.

The "L. & D. AUTOMATIC GLASS AND TUMBLER WASHER" completely abolishes the filthy trough practice, which is in existence in many hotels throughout the Dominion.

The apparatus is simplicity itself, and, being small in size, conveniently stands on the bar or counter in full view of the public. It has a metallic base and spray arrangement, on which is mounted a round glass chamber, into which the tumbler is pressed mouth downwards. The act of doing so at once raises a **Fountain of Water**,

which washes the inside and outside of the glass in the twinkling of an eye. Every glass is washed in clean, fresh water, and any size glass can be washed.
